

Basic Bocce Clinics at the Murer House

Bocce clinic program includes a brief history of bocce, information on local bocce leagues and tournaments, game rules, court etiquette, objectives of the game, teamwork, and basic strategies. The majority of the clinic time is spent actually playing bocce. In this way, attendees gain personal knowledge and hands-on experience in a team setting. Attendees are advised to wear comfortable, soft-soled shoes. No hard-soled shoes are permitted on the bocce court.

Minimum attendance for a basic bocce clinic is four persons for a 90-minute session. Maximum attendance is 10 persons for a 90-minute session. If the first session (i.e, 9 am to 10:30 am) becomes full, a second session (i.e., 10:30 am to 12 pm) may be offered for a minimum of four additional persons and a maximum of 10 additional persons. If both sessions become full, further registrations will be put on a waiting list. Should a vacancy arise, persons on the waiting list will be assigned to a session in the order their registration was received.

Contact Joe Luchi to register for the clinic.
